David Lipscomb College

EDITOR'S FOREWORD

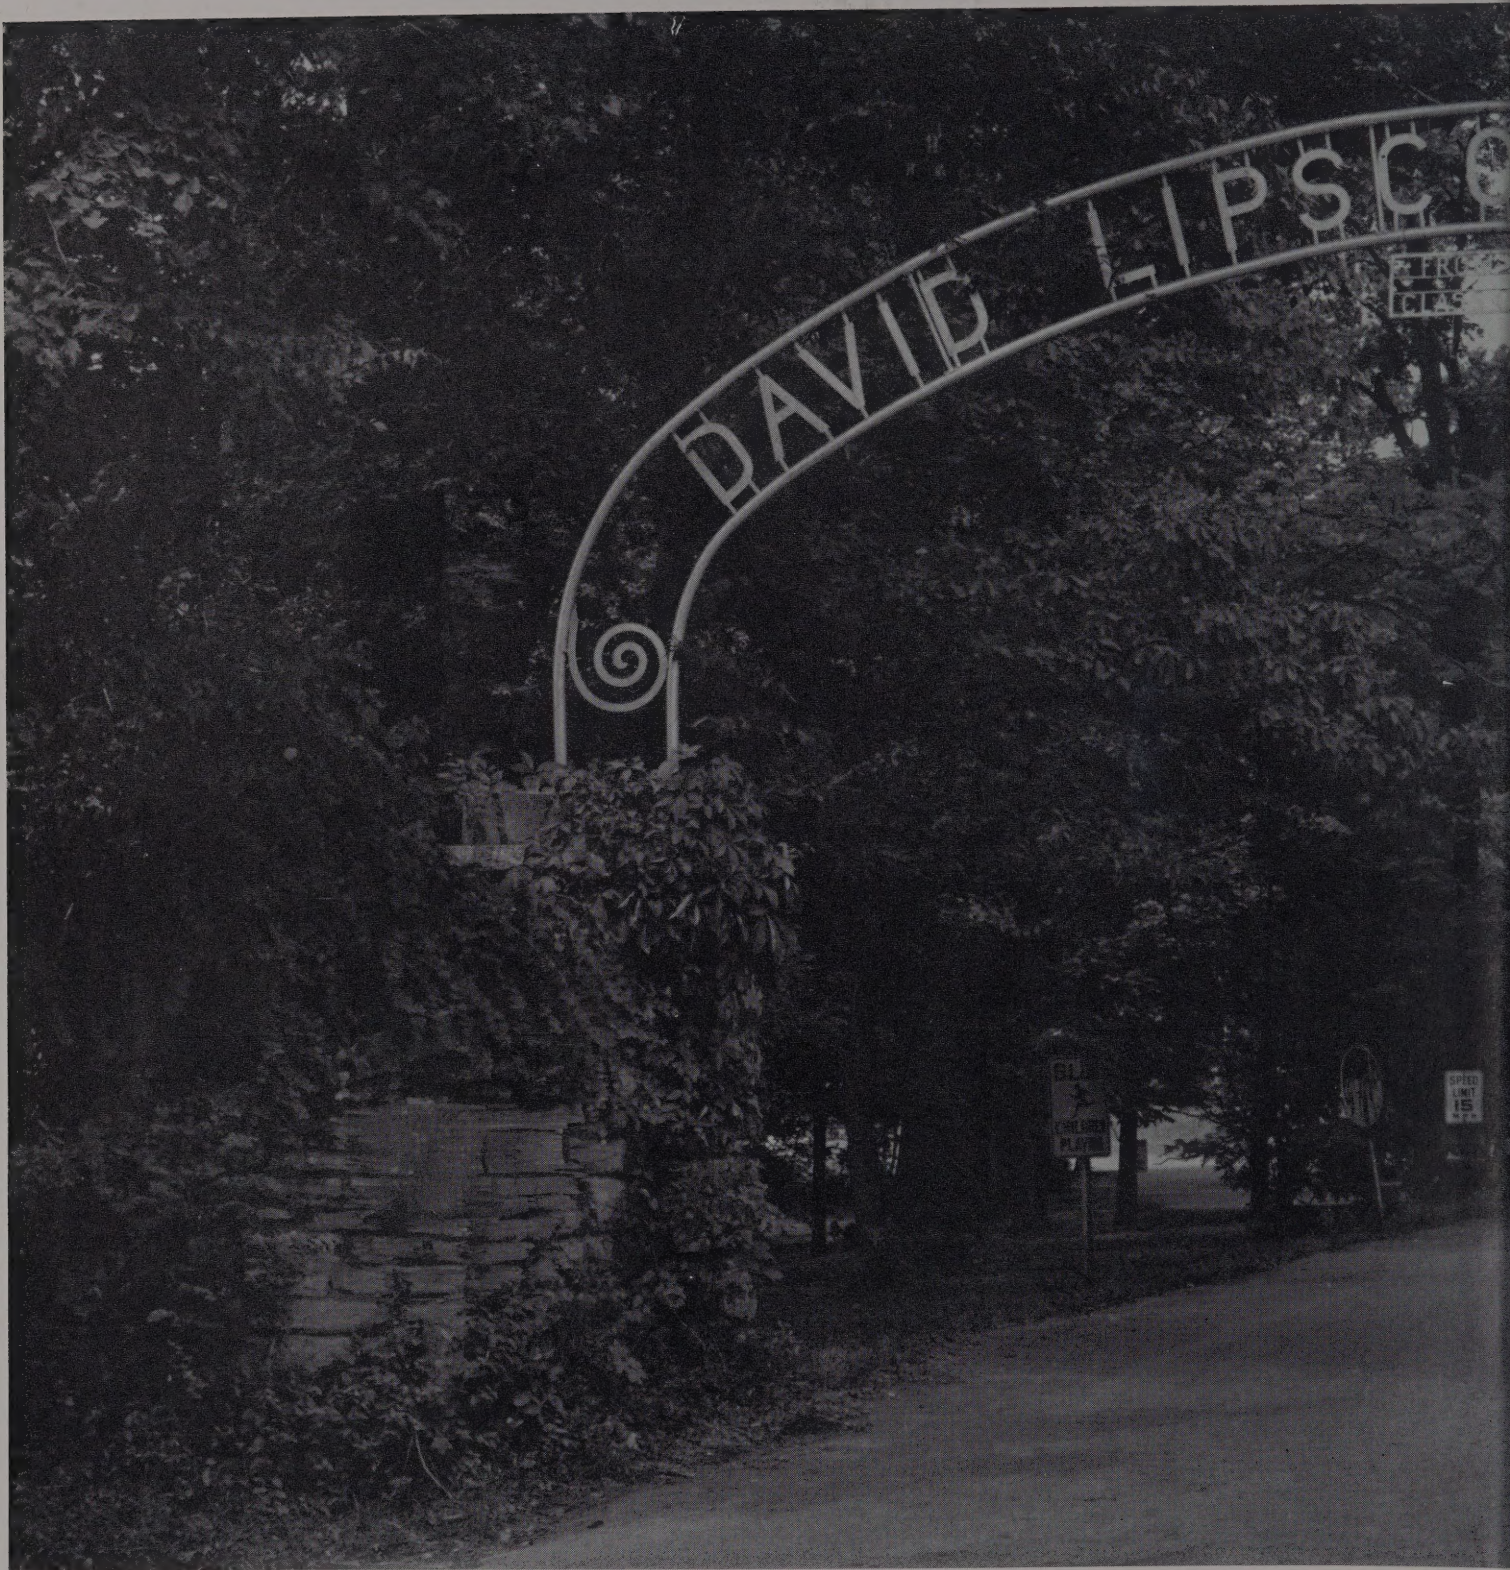

It is with great pleasure that we, the staff of the 1956-57 BACKLOG, present to you this volume of memories of your life and growth at Lipscomb. Whenever life seems dreary, we hope that the ideals and accomplishments pictured on these pages will renew your inspiration to forge ahead and that you may have a world at peace in which to labor.

THIS IS *Your*

David Lipscomb College originated in the desire of David Lipscomb and J. A. Harding for a school in which young people, while obtaining a general education, might study the Bible daily as the only source of faith and practice in religion. In October, 1891, the first session of the Nashville Bible School began in a rented house on Fillmore Street, with a final attendance of thirty-two. By the opening of the third session in 1893, lots on South Spruce

Street had been purchased and buildings had been erected. The enrollment for this session was fifty-two. The following summer a men's dormitory was erected; and the enrollment of the school gradually increased while the school remained at this location for ten years. In the summer of 1903, David Lipscomb deeded his farm of sixty-five acres on Granny White Road to the school. Two large brick buildings were erected; and the old Lipscomb

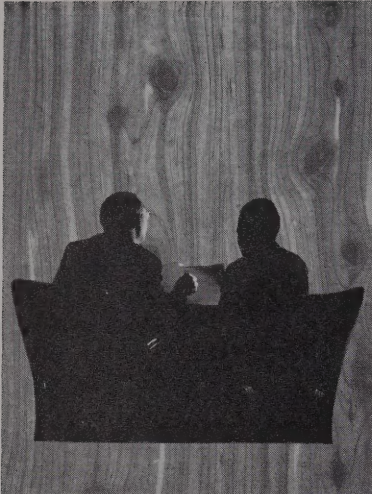

BACKLOG OF 1957

home was used as a girls' dormitory. The school remained the Nashville Bible School until April, 1918; then its name was changed to David Lipscomb College in honor of its deceased founder. There are now sixteen buildings, and several more are soon to be erected in connection with the Lipscomb Expansion Program. Lipscomb is now fully accredited by the Southern Association of Colleges and Secondary Schools and offers sixteen major

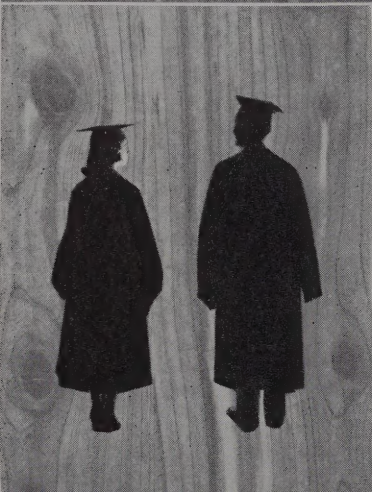

programs of academic study leading to B.A. or B.S. degrees. In addition, the college maintains a state-approved teacher education division, operating demonstration elementary and high schools in this connection. Today approximately 900 students are enrolled in the college, and more than 600 in the elementary and high schools. This is the largest enrollment in the history of the college, and indications are that it will continue to increase in years to come.

DEDICATION •

Rarely in the history of a school such as Lipscomb is there a person whose influence has been so widely felt and acknowledged as one we have among us today—one whose presence has revived many a spark of inspiration and enthusiasm that had all but died. Therefore—

To one who makes his classes both interesting and educational . . . who has been a leader in the work of the church . . . who is a friendly and sympathetic counsellor . . . who has won a place of high respect, deep admiration, and warm affection among both the student body and the faculty . . . to Dr. Howard A. White we respectfully dedicate this BACKLOG for 1956-57.

GROWTH at LIPSCOMB

Painstaking diligent experimentation solves the mysteries of the test tube.

Sweat pours, muscles strain and bulge in an effort to round into top shape for a full calendar of athletics.

Roommates assist each other in studying God's Word and using it in order that they might mature.

Courtesy is rewarded with a beaming smile.

... and we increased in

In the library, students have access to the finest ideas of the greatest thinkers of the ages.

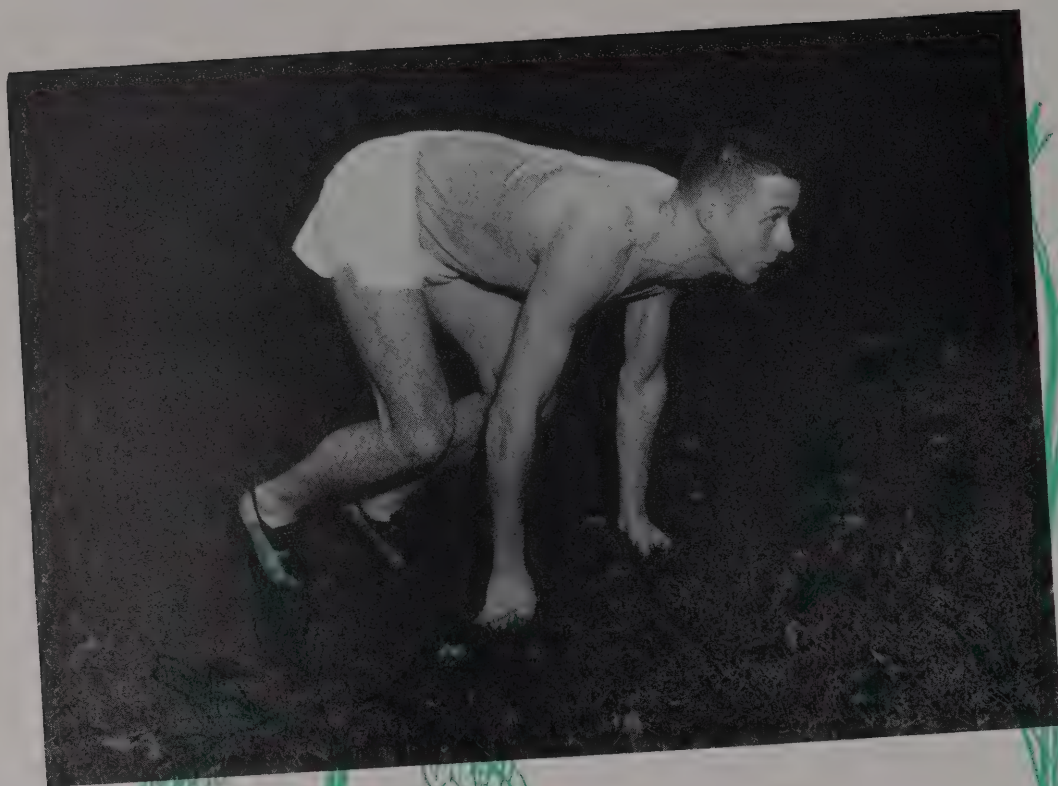

WISDOM

Young minds are stimulated and challenged by close, harmonious relationships between students and faculty members, who are always willing to share their personal store of knowledge, give advice and lend sage counsel.

Informal discussion groups sharpen student wits and encourage quicker, deeper thinking.

The emphasis is on speed as sprinter Dan Harless hurtles down the track and breaks the tape.

... *and*

Coordination is the key to precision gymnastics. Jim Dark exhibits agility and grace in a difficult trick.

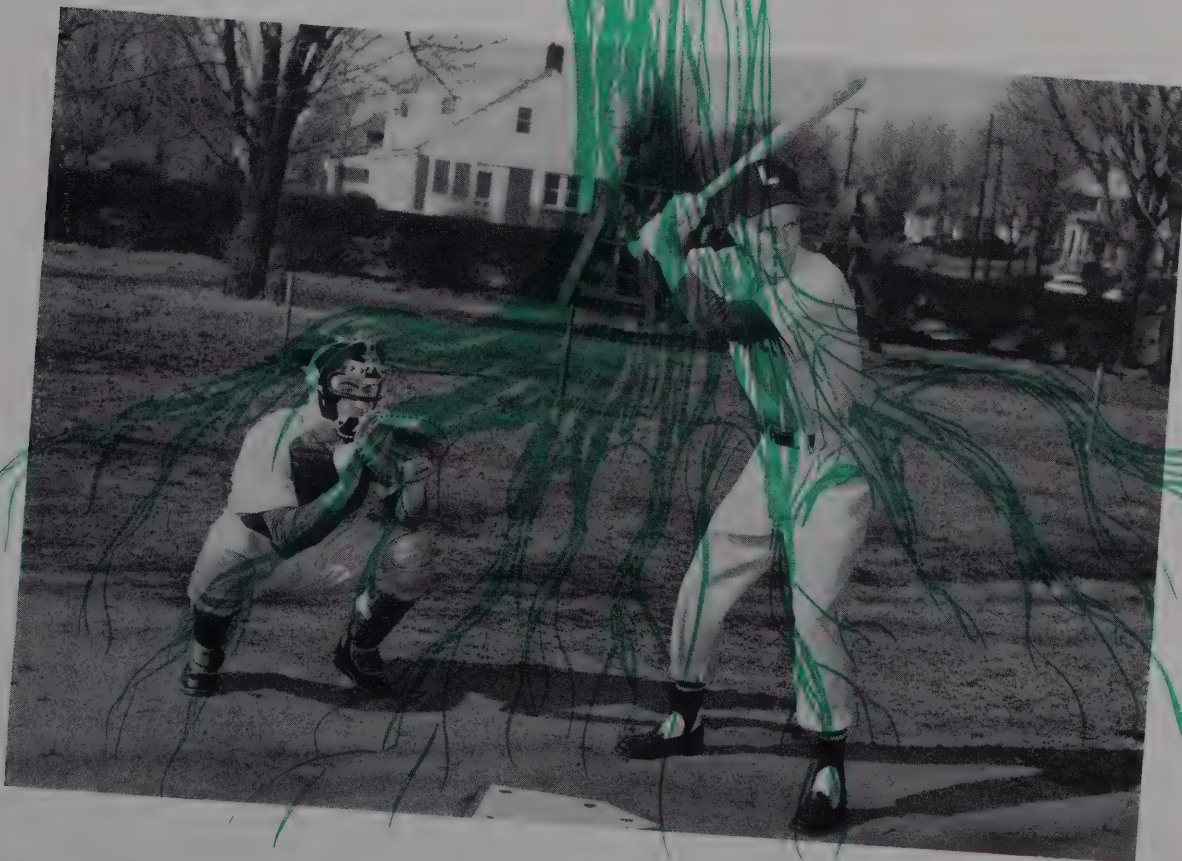

Girls find that basketball fosters a competitive spirit and provides a wonderful way to remain in good health and top physical condition.

STATURE

Sharpness of eye is a prerequisite to a winning baseball team. Batsman Ken Dugan and catcher Herb Murphy watch closely as the ball nears the plate.

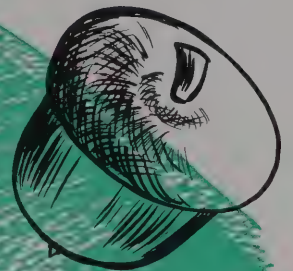

... and in favor with

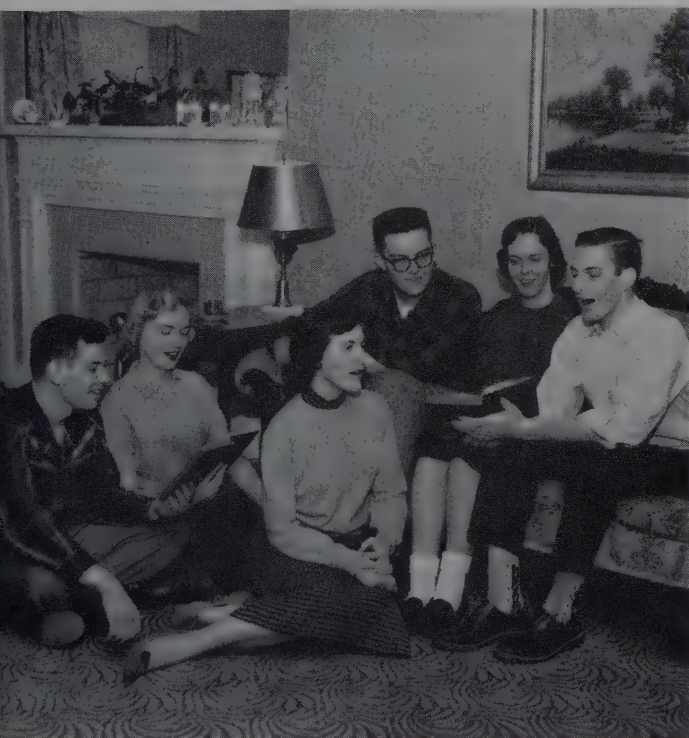

The importance of religion is stressed at Lipscomb. College students find church services a well-spring of inspiration and spiritual guidance.

GOD...

Souls are strengthened and hearts are brought into closer accord as a group sings hymns of praise.

Scholars learn Greek and, at the same time, gain a deeper insight into the Scriptures by studying the Greek New Testament.

Male and female created He them.

In the student center, man also strives to increase in favor with woman. Cokes, notes and magazines provide a cover-up for ulterior motives.

... and

Johnson Hall girls gather for gossip. As the hostess pours coffee, the girls compare notes on the day's activities.

Freshmen strike a semi-studious pose during a short-lived study session. Such sessions usually impart more entertainment than knowledge.

In spite of heckling from bystanders, an Elam Hall room begins to take on a spotless appearance.

MAN

Bowling is a highly entertaining pastime enjoyed by many Lipscomb students. A group of "gutter-ballers" prepares for an evening of lively fun.

While she signs the book, he peeks over her shoulder, trying to find out who his competition is.

Lipscomb is proud of its foreign students and they, in turn, are proud of Lipscomb.

THE CAMPUS

Visitors to the David Lipscomb College campus frequently remark that there is a spiritual atmosphere that is refreshing and inspiring. The present home of the college is on a beautiful shady campus of forty-three acres, near enough to the city to enjoy the advantages afforded by its libraries, lectures, and recitals, and at the same time far enough from the city itself to be a restful home. College Hall (1) provides space for sixteen classrooms, in addition to the home economics department, and houses the administrative offices. At-

tached to College Hall is Alumni Auditorium, which will seat 1,432 in opera chairs. The Chemistry building (2) and the Biology Building (3) provide adequate laboratory and classroom facilities with new and modern equipment throughout. McQuiddy Physical Education Building (4) has a seating capacity of approximately 3,250 with a spacious basketball playing floor, two separate swimming pools, lockers, classrooms, staff offices, and recreation rooms. Johnson Hall (5) is the modern dormitory for upper division college

girls, while Sewell Hall (6), a four-story building with 100 rooms, houses the freshman girls. The Central Heating Plant (7) has steam lines to nearly all campus buildings and has an ultimate capacity of twice the present load. Avalon Hall (8), the old home of David Lipscomb, has been completely renovated to house the department of music. The High School Library and Science Departments (9) are situated close to Harding Hall (10), the home of the high school and elementary school. Also near Harding Hall is Burton

Gymnasium (11), which serves as a practice gymnasium and for intramural athletic events. Elam Hall (12) is the 200-room dormitory for young men. Found near Elam Hall are the Married Students Apartments (13). Crisman Memorial Library (14) is a completely modern library with the very best equipment. The Cafeteria is located on the first floor of Sewell Hall, while the Student Center is located on the first floor of College Hall and houses the post office, bookstore, soda fountain, and sandwich counter.

ADMINISTRATION

PRESIDENT ATHENS CLAY PULLIAS

Since becoming president of David Lipscomb College in 1946, Athens Clay Pullias has retained the distinction of being one of the youngest college heads in the country. He is a great evangelist, lawyer, and business man, as well as scholar and educator, and he possesses a rare combination of abilities, energies, and preparation particularly fitting him to head a growing liberal arts college. After graduating from Lipscomb, then a junior college, and receiving his B.A. and LL.B. degree from Cumberland University in Lebanon, Tennessee, and his B.D. degree

from the Vanderbilt School of Religion, he joined the Lipscomb faculty in 1934 and served as teacher, head of the Bible Department, executive assistant, and vice-president prior to becoming president. In 1944 he was placed in charge of the Lipscomb Expansion Program, and by January, 1956, more than \$4,000,000 had been raised under his leadership. He is married to the former Mary Frances Newby, a graduate of Lipscomb and Peabody Colleges and Ward-Belmont Conservatory of Music, and their son, Clay Jr., is enrolled in Lipscomb Elementary School.

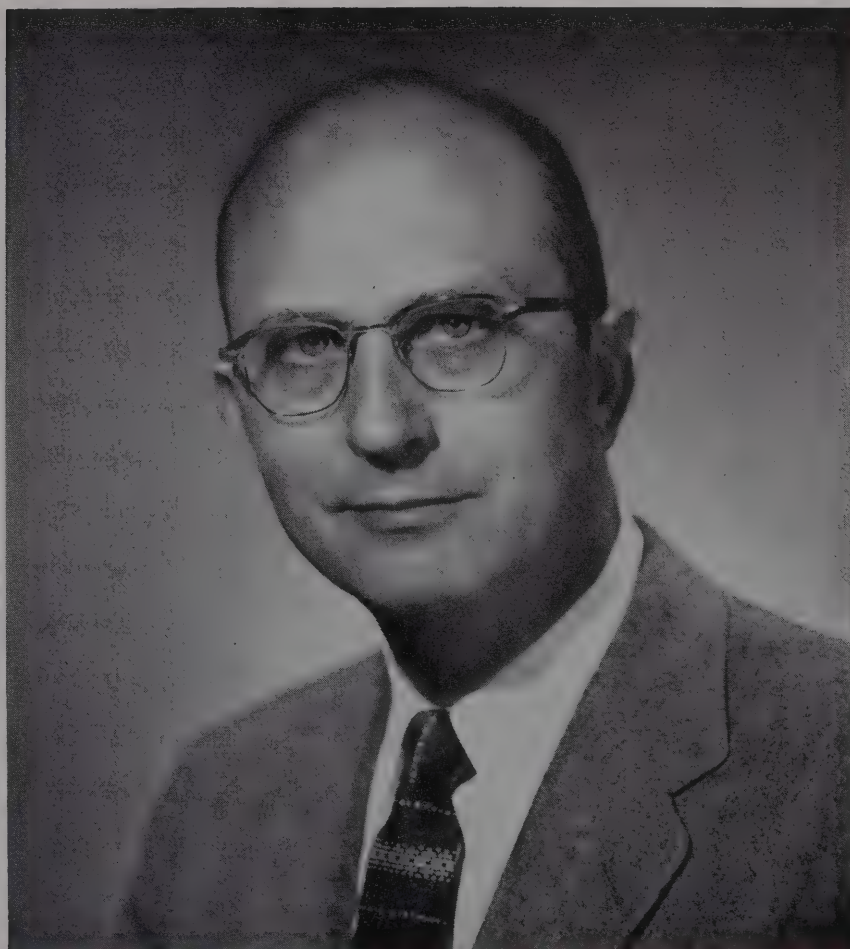

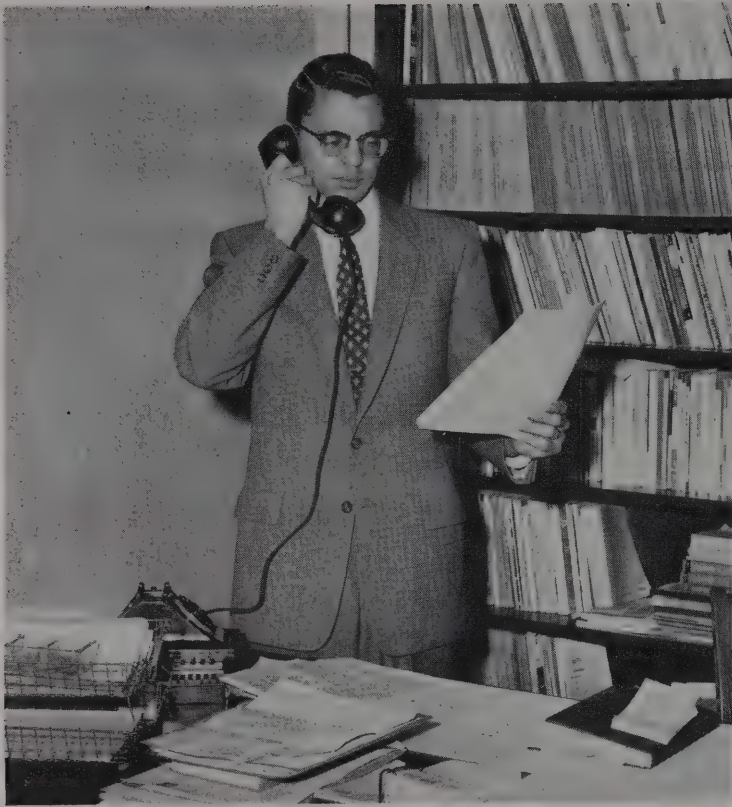

VICE-PRESIDENT WILLARD COLLINS

Willard Collins became vice-president of David Lipscomb College in 1946. He has participated in the Lipscomb Expansion Program launched in 1944, and is a widely known gospel preacher, religious writer, and educator. He is also on the editorial staff of the *20th Century Christian* and the *Gospel Advocate*. Recently he became a member of the editorial committee of the Gospel Press of Lubbock, Texas, which is conducting a national advertising campaign urging a return to New Testament Christianity. He is well-known to radio and television audiences, having been chairman of the program planning committee for the "Know Your Bible" television program for two years and commentator for Lipscomb Chapel Singing broadcasts. An alumnus of Lipscomb, he has the B.A. and M.A. degrees from Vanderbilt University, and was recently elected to the national board of directors of the American College Public Relations Associations. He is married to the former Ruth Morris, also a graduate of Lipscomb, and they have two children, Carole and Corinne.

DEAN J. P. SANDERS

J. P. Sanders became Dean of David Lipscomb College in 1942, and under his guidance the academic program of Lipscomb was expanded from junior college to senior college level, until the college was accredited by the Southern Association of Colleges and Secondary Schools. Dean Sanders has an unusually broad educational background, having received the B.S. degree from Texas Christian University; the M.S. degree in chemistry from Vanderbilt University, Nashville, where he made one of the most brilliant records ever established by a graduate student; the B.D. degree from the Vanderbilt School of Religion; and the Ph.D. degree from the University of Southern California. He is a widely known evangelist, as well as a scholar and director, and has had a part in the beginning of two outstanding religious publications. He is married to the former Gloria Millay and they have three sons, Joel, Michael, and Ricky.

When things pile up and we have twenty-four hours in which to do two weeks' work, we have a picture of student life. There are chapters to be read, notebooks to be completed, observations to be made, themes to be written, and always that last-minute "cramming." And still the assignments come in. The exertion, the brainwork, and the learning cannot be measured.

Likewise, we cannot begin to measure the service of these men and women who, in sincere devotion and dedication to their profession, stand behind us throughout the years, encouraging, contributing, befriending. Whether their field be tennis, mathematics, or Shakespeare, their patience and untiring effort make our classes a wonderful contribution to our development.

DORMITORY SUPERVISORS •

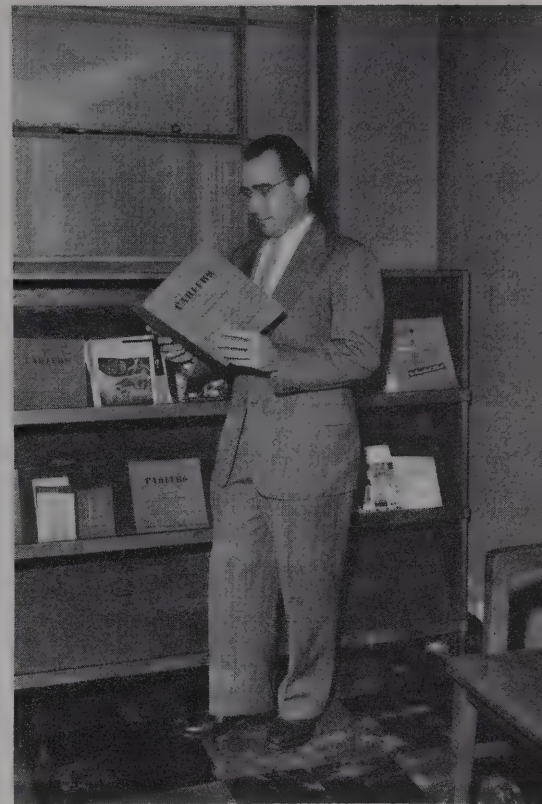

Being friend, counsellor, and guardian to innumerable young people away from home, some for the first time, is no small responsibility. It is a service that requires a patient and understanding heart, coupled with a never-failing ability to see deeper than the mere surface of things. Lipscomb is grateful for the endless amount of help given by its dorm supervisors.

ED NEELY CULLUM

VARDAMAN FORRISTER

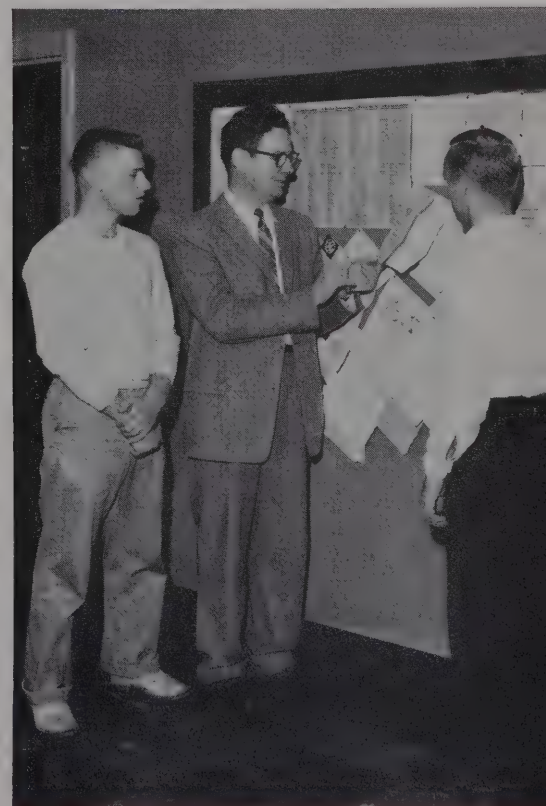

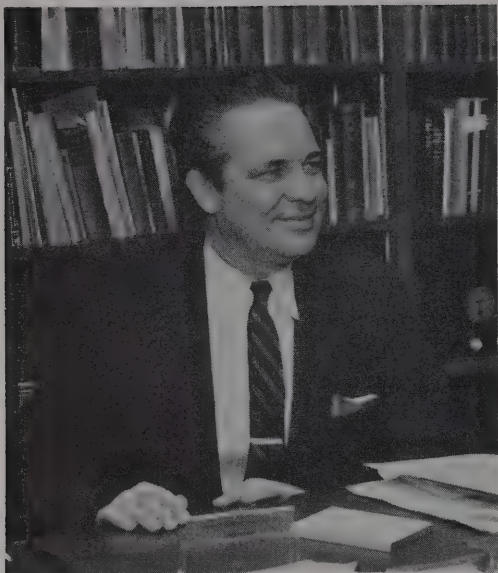

DUANE R. SLAUGHTER

• STUDENT GUIDANCE

Lipscomb's Student Guidance Center states its aim as "to aid students in achieving greater and more satisfying service to self, to mankind, and to God." However, the service they render in assisting students in solving their spiritual, social, and personal problems cannot be shown in words.

Students receive counseling on future careers.

WILLARD COLLINS
Faculty Advisor

The Student Board of David Lipscomb College is made up of the President and Secretary of the Student Association, the presidents and secretaries of each of the four classes, the editors of each of the official school publications, two day student representatives, and a boarding student representative from each dormitory. This Board is empowered to initiate all rules, regulations, and laws of the Student Association which become valid when passed by a majority of members of the Student Association.

SPECIAL STUDENTS

JERRY HOPKINS

HAROLD WILLIAM LITTLE

SENIOR CLASS

Lipscomb's 1956-57 Senior Class is certainly one of the most outstanding graduation classes in years. As Juniors they were responsible for initiating the Barnwarming and for bringing the Harlem Globetrotters to the campus for the first time. These events proved so profitable that they were able to pay half the Juniors' fare on the Lipscomb

Special to Johnson City. The remaining \$350 they donated to the Lipscomb Expansion Program, officially beginning the Student Loyalty Fund. Besides winning the Intramural Forensic Tournament for the past two years, the Senior Class this year achieved top honors in the Intramural Basketball Tournament.

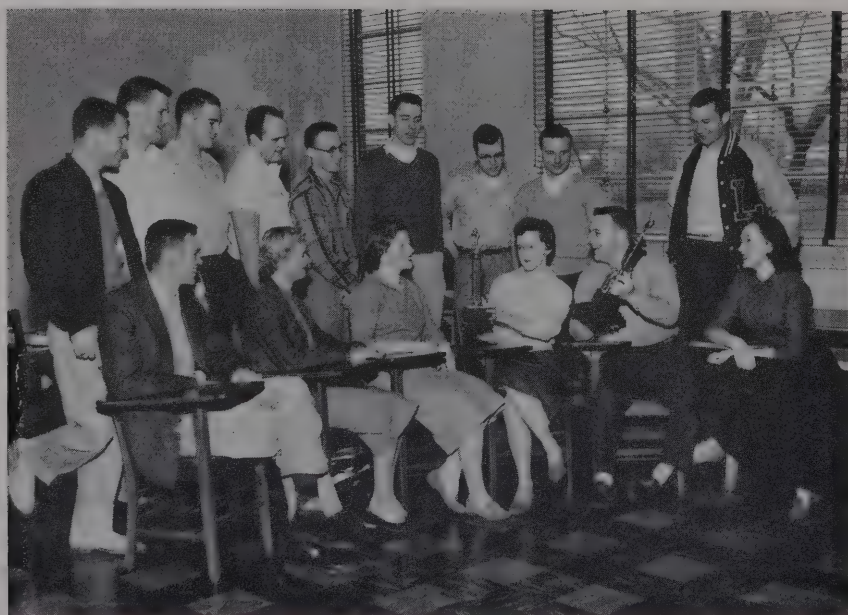

WHAT A CL

Two, Four, Six, Eight
Who do we appreciate
Seniors! Seniors! Seniors!

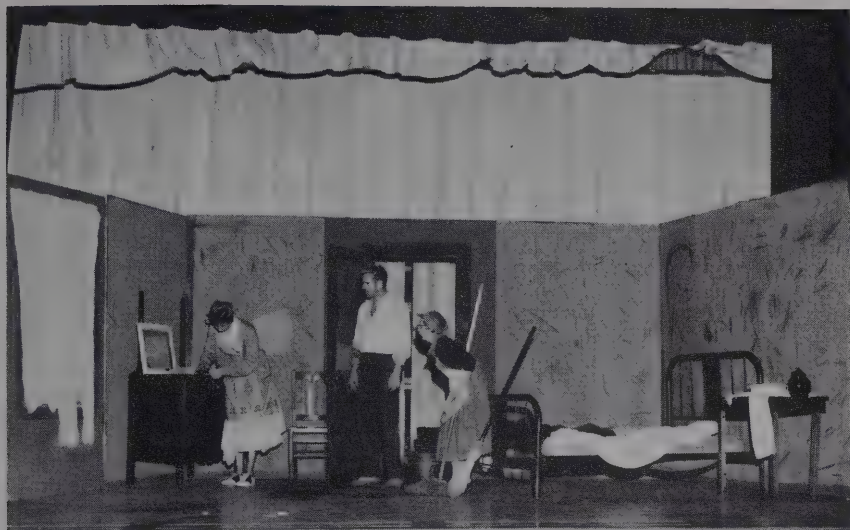

Congratulations to Carl Walker
and the basketball team for bring-
ing home the trophy in the Intra-
mural Basketball Tourney.

Class officers admire the Intra-
mural Forensic Trophy, won for the
second year in a row.

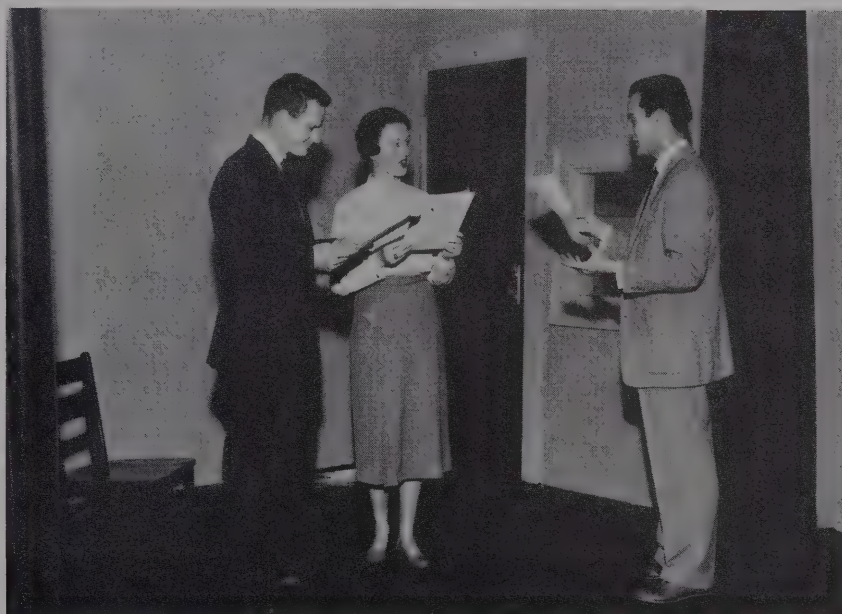

A group of hard-working Seniors
smile as they admire their awards.

SS TO BEAT!

Of course the Seniors won the play contest with "The Addict."

Not only the play, but the best actor, Lonnie Stanford, best actress, Nila Jo Garmon, and best director, Nick Boone.

The Seniors erected a fine exhibit for Homecoming.

Working closely with the Backlog Club, the staff of the college annual, the BACKLOG, devote many hours of planning and hard work each quarter toward the presentation of the completed yearbook. From the moment the theme is chosen, work begins, and there are pictures to be scheduled, copy to be written, and deadlines to be met until the very last, when everyone heaves a sigh of relief as the last pages are on their way to the printer. However, all the effort fades into the background as the staff views with pride their finished product—what they hope to be an All-American annual for 1957.

What-to-do

I'll find out

There! That's it.

Joe and Denny glance over the press sheet.

"The copy should read like this," explain Beverly and Martha Jean.

The staff looks on as Mr. Griffin advises about certain processes.

Inspection of "ready to print" pages is a necessity.

Writing that copy was always the hardest thing!

THE BABBLER

On Friday the cry heard above thunder of feet in the usual morning stampede for the Student Center is, "What does the *Babbler* say?" The *Babbler*, official campus newspaper, by keeping its ear to the ground and its eye on the administration serves to keep Lipscomb up-to-date on the newest developments, both academic and social. Working with the Press Club, this year's *Babbler* offered a cash prize of one dollar each week for the best piece of journalism contributed, whether headline, cartoon, column, news item, or photograph. The judging was done by Allen Pettus, editor of the Sunday magazine of the *Nashville Tennessean* and past editor of the Lipscomb *Babbler*. Last semester's editions of the *Babbler* were awarded a First Class rating by the Associated Collegiate Press on the basis of coverage, writing and makeup.

This club is organized to aid students interested in the field of general business, and speakers from various businesses are invited to the meetings to lecture on such subjects as business procedures and job requirements.

PHOTOGRAPHERS' CLUB

The Photographers' Club of Lipscomb appeals chiefly to students interested in cameras and picture-taking. Led by President Gene Morris, the meetings are devoted to discussions and demonstrations of the newest photographic techniques and the problems involved. The club's special project for the year was the sponsoring of a Photography Contest for Lipscomb students.

The first honorary fraternity ever to be formed at Lipscomb is the Alpha Psi Omega, a national dramatic fraternity of which the Lipscomb Chapter is Pi Kappa Cast. The fraternity was founded in 1925 at Fairmont State College in Fairmont, West Virginia, for the purpose of providing an honor society for those doing outstanding work in drama and of offering a wider fellowship for those interested in college theatre. Extensive experience in acting and the production of plays is necessary before membership can be conferred.

Lipscomb is privileged to have on its campus a chapter of Alpha Kappa Psi Fraternity, the first professional business fraternity, founded at New York University in 1904. The objects of the fraternity are to further the individual welfare of its members; to foster scientific research in the fields of commerce, accounts, and finance; to educate the public to appreciate and demand higher ideals therein; and to promote and advance college courses leading to degrees in business administration.

Eligible for membership are male students of the departments of commerce, economics, business administration, and commercial science who have signified their intention of completing their courses and obtaining their degrees, and who possess scholastic averages of not less than the average required for graduation.

This switch sets the "brain" to work.

A chapter of the Sigma Tau Delta, the only honorary college English fraternity of its kind, was organized this year at Lipscomb. Known as the Mu Zeta Chapter, it is directed by Fred Friend and Sara Whitten, and members are chosen from junior and senior English majors who have a B average and are in the upper one-third of their class. However, associate memberships are available for qualifying sophomores. Meetings are devoted to the discussion of literature and student writings, since the purpose of the fraternity is to encourage original writing, worthwhile reading, and the fellowship of men and women specializing in English.

One of the most recent professional organizations founded on the Lipscomb campus is the Lipscomb History Fraternity, co-sponsored by Dr. Howard White and Paul Isaac, professors of history. Membership requirements include at least 15 hours of college credit in history with a minimum quality point average of 1.6 and an average of 1.0 in all other subjects.

The local fraternity was formed with the intention of applying for membership in Phi Alpha Theta National Scholastic Fraternity. Before it can become a member it must meet certain academic requirements, operate independently for a time, and be accepted by all chapters in the National Fraternity. Phi Alpha Theta holds an annual convention of its own and also holds conventions with leading historical associations. It publishes a semi-annual journal called "The Historian."

During the 1955-56 school year, Lipscomb's Debate Club applied for and received admission to the national forensic society, Pi Kappa Delta. This society was organized in 1912 to meet the demand of colleges for an honor society for the recognition of excellence in intercollegiate debate and oratory. Dr. Carroll Ellis is sponsor for the campus chapter.

Since its formation, the group has been especially concerned with the following projects: continued participation in intercollegiate forensic tournaments, participation in exchange debates, the holding of exhibition debates before local high schools, and the sponsoring of a Debate Workshop for Middle Tennessee high-school debaters in cooperation with the Tennessee Speech Association.

MUSIC AND SPEECH

By far the most outstanding event of the year for the Men's Glee Club was their trip to Washington, D. C. in February. The six-day tour included stops in Virginia; Washington, D. C.; and Tennessee, with major programs in Washington; Arlington, Va.; Richmond, Va.; Chester, Va.; and Kingston, Tennessee. Between programs, however, the Glee Club found plenty of time for sightseeing.

The year's other activities have included programs at local high schools and participation in the Ensemble Festival, the Spring Lectureship, and Career Day. The Glee Club is under the direction of Henry Arnold.

MEN'S GLEE CLUB

WOMEN'S GLEE CLUB

Under the direction of Daphne Dalton, the Women's Glee Club has enjoyed a busy and profitable season. Their activities have included programs in Birmingham and Gainsboro and participation in the Lipscomb Ensemble Festival.

CHORISTERS

For the fourth consecutive year the Choristers were invited to sing for the alumni dinner in Atlanta, a great honor for the Lipscomb choral group. Their most extensive trip of the year, however, included programs at Freed-Hardeman College and Harding College and in Memphis. They participated in the Lipscomb Ensemble Festival, and their schedule has been very busy indeed with programs for local high schools.

MEN'S QUARTET

The Lipscomb Men's Quartet accompanied President Athens Clay Pullias this year to Florida, with programs in Jacksonville, Orlando, and Alachua, and on his trip to Murfreesboro in March. Especially to be commended for his work with the Men's Quartet is Alvin Mitchell, who replaced Jerry Hopkins at the beginning of spring quarter.

For those who are majoring or minoring in music, Miss Irma Lee Batey sponsors an organization known as the Musicians' Club. The meetings, conducted by president Sara Dixon, feature musical programs presented by club members.

MUSICIANS' CLUB

The officers discuss future plans.

The club enjoys informal singing.

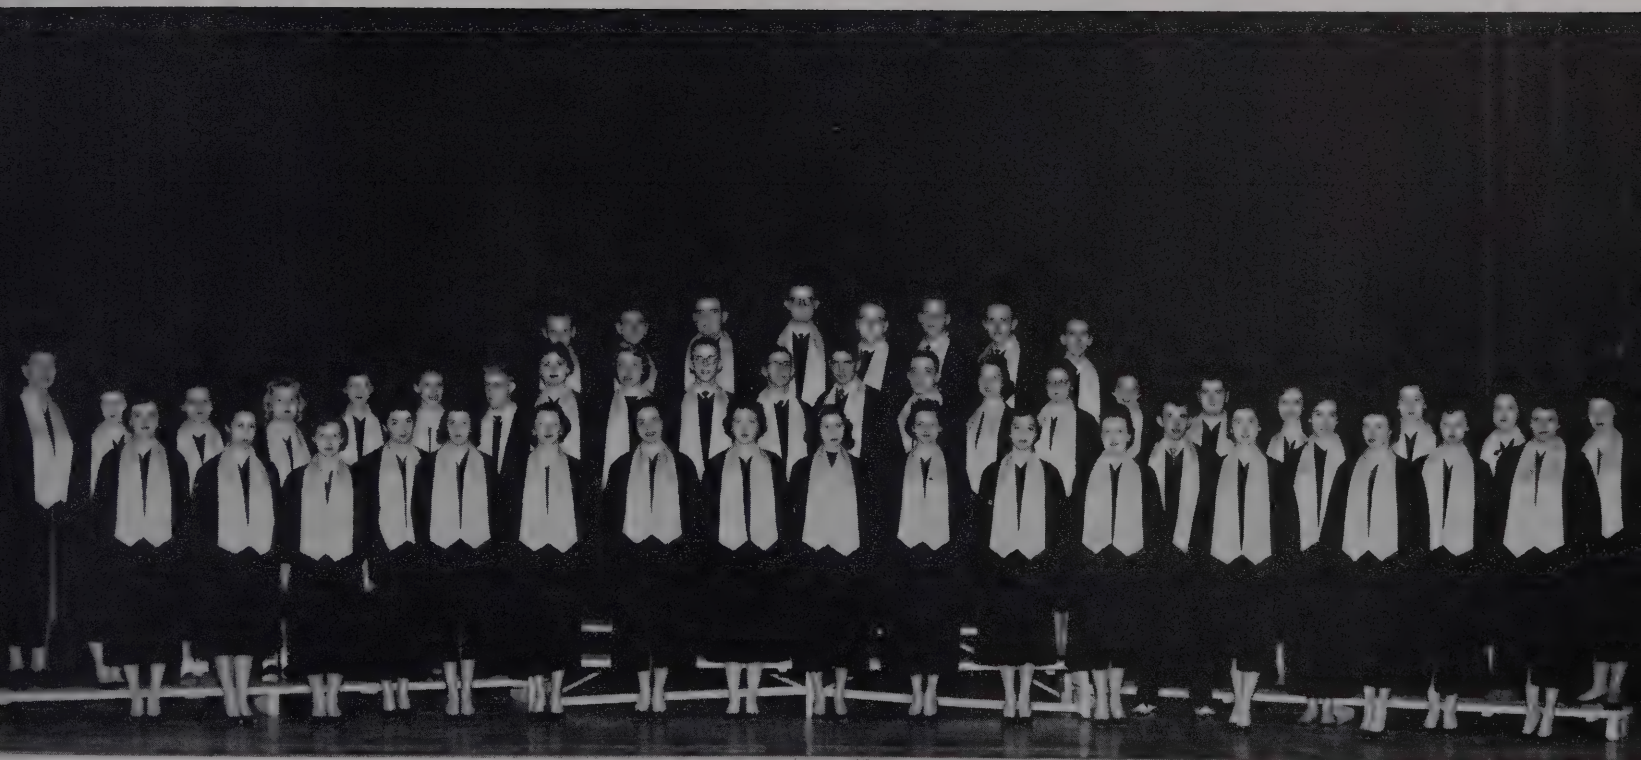

To anyone other than a Lipscomb student or faculty member passing McQuiddy Gymnasium late in the afternoon, a sudden burst of music might prove startling. However, to "those who know," such an overture is merely a practice session of the Lipscomb band, directed by Jeff Green. Since Green joined the music department five years ago, the band has increased each year in quality and in membership. Its major performances of the year are at basketball games, during May Day festivities, and during Lectureship Week, plus several chapel programs during the year. Green is working with the students toward developing a fine concert band—not only for entertainment purposes, but for training students to work in this field of music.

CHORALIERS

The Choraliers, under the direction of Miss Irma Batey, have enjoyed an extensive and profitable season. Their major trip for the year took place in April, when they presented programs in Springfield, Portland, Hartsville, and Gallatin. An outstanding feature of this trip was the recording of a thirty minute radio program for a Gallatin radio station.

Officers of the Choraliers for this year are BILL HALL, *President*; JIMMY MORRIS, *Vice-President*; and SEWELL ST. JOHN, *Librarian*.

Dr. Ellis?

They are constantly debating.

The Intercollegiate Debate Squad of David Lipscomb College has built up a reputation for outstanding performance, and this year's activities add luster to their record.

In November our debate squad attended the Western Kentucky Debate Tournament at Western Kentucky State College in Bowling Green, Kentucky. They returned Sweepstakes winners, with individual honors going to John Barton as Best Men's Debater and to John Barton and David Thomas as Best Men's Team.

In January the debate teams were again Sweepstakes winners in the All-Southern (Invitational) Debate Tournament held at Agnes Scott College in Atlanta, Georgia.

In February the debaters again emerged with the Sweepstakes trophy at the Tennessee Intercollegiate Forensic Association Tournament at Carson-Newman College in Jefferson City, Tennessee. Individual honors went to Norma Riggs, Best Debater, Women's Division; David Thomas, Best Debater, Men's Division; Marlin Connelly, First Place, Men's Extempore Speaking.

In March the teams attended the West Point Elimination Tournament at Mercer University in Macon, Georgia, and tied for Alternate Representatives, Southeastern Area.

The outstanding event of April was the Pi Kappa Delta National Forensic Tournament at South Dakota State College in Brookings, South Dakota. Representatives for the Tennessee Theta Chapter were John Barton and David Thomas. At this tournament the charter was conferred on the Lipscomb chapter of Pi Kappa Delta.

The Lipscomb Debate Squad ended a most profitable season by outstanding participation in the Emory Southeastern Debate Tournament held May 3 and 4 at Emory University in Georgia.

FORENSICS

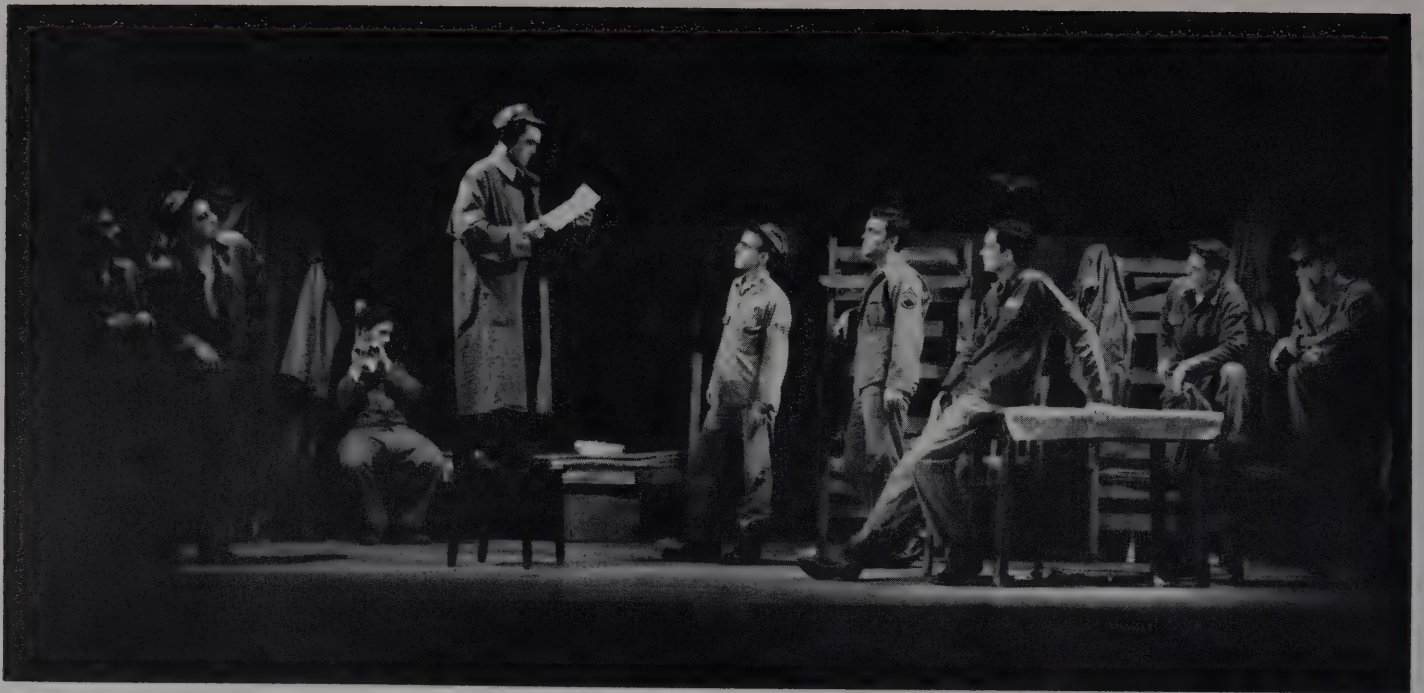

Participants in the forensic tournament attended a banquet given in their honor.

One of the many phases of the forensic tournament was the debate program.

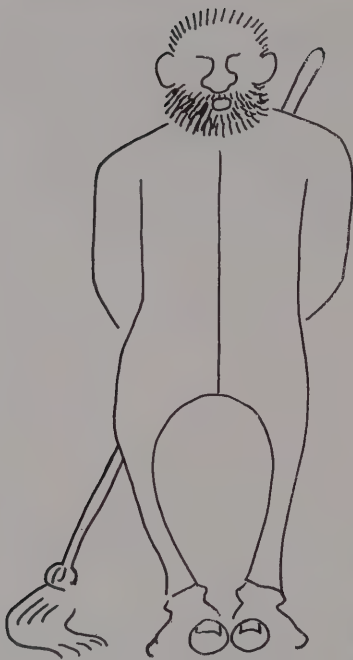

The senior class walked off with top honors for the second straight year in the ninth annual Intramural Forensic Tournament held at Lipscomb January 26 to February 1. The seniors won five individual events, twelve debates, and the one-act play contest, winning best play, best actor, and best actress awards. They also sold 110 per cent of their tickets to win the ticket sales.

Each class was allowed to enter two men and two women in each of the following divisions: Extempore Speaking, Oral Interpretation, Bible Reading, After-Dinner Speaking, and Radio Speaking. Each class was also permitted to enter as many as five teams in the debate division. A banquet was held for all participants on Friday night.

PLAYS

Stalag 17

Stalag 17, a comedy-melodrama by Donald Bevan and Edmund Trzcinski, was the fall production of the Lipscomb Footlighters. The play deals with the activities of a group of American air-force prisoners in a German concentration camp and pictures a cross section of Americans from a Polish-American G.I. to a millionaire playboy. Mrs. Clara Hieronymous, drama critic for the *Nashville Tennessean*, described the Footlighter production as "terrific theatre."

The Madwoman of Chaillot

The Madwoman of Chaillot, written by Jean Giraudoux and adapted by Maurice Valency, was the winter production of the Footlighters. The play, set in Paris, revolved around four madwomen who have imaginary dogs, sewing machines that talk, and voices in hot water bottles, and who are determined to also help humanity. The Footlighter production featured two sets unique in the history of Lipscomb dramatics; the first was a two-story Parisian cafe constructed on rollers, surrounded by shops with show windows and manequins, and the second was the cellar apartment of the mad Countess, complete with a trap door leading to subterranean coves.

CHAPEL

It is in the daily chapel exercises that the students and teachers best capture the spirit and purpose of David Lipscomb College. Held each day except Saturday, the chapel hour consists of two parts: the first period is given wholly to the worship service, while the second period is devoted to programs by the various organizations of the school or by outside guests. In addition to outside speakers, the President and members of the faculty, who are best acquainted with the students, discuss special problems of the young people of today. Students also participate regularly in the devotional services. Recordings are made regularly of chapel singing and sent to radio stations all over the country.

MISSION STUDY

The Mission Study class of Lipscomb is composed chiefly of students interested in someday doing or aiding in mission work at home or abroad. Their work and study is of great importance for the influence it will have on the progress of the church in years to come. One of their most outstanding projects is the map in the upstairs library showing the distribution of Churches of Christ in the United States.

One of Lipscomb's chief interests lies in the young men she trains to preach the gospel to the world of tomorrow. She is proud of the strength and devotion of these young men and desires to give them every opportunity to prepare themselves through extensive Bible study, participation in daily devotionals, and opportunities to gain preaching experience while still in school.

YOUNG MINISTERS

EVANGELISTIC FORUM

One of the organizations at Lipscomb that affords great opportunity for Christian fellowship is the Evangelistic Forum. Young Ministers find much profit and enjoyment in these meetings, where they may hear and participate in discussions applicable to their own problems. This year the discussions were opened to larger groups, since many visiting preachers have expressed interest in them.

Certainly Lipscomb recognizes the extreme importance of the work of women in the Church. Therefore, a training class is conducted to assist young women in becoming teachers and in learning principles invaluable to Christian wifehood and motherhood.

WOMEN'S RELIGIOUS TRAINING CLASS

MEN'S DEVOTIONAL

Each evening the young men of Elam Hall gather for a few moments of meditation and devotion before retiring. To those who take part it is one of the most rewarding experiences of the day.

In the spring the boys and girls dormitories combined for outside devotionals—a rich and wonderful experience, communing with God under the stars.

Certainly one of the most fulfilling experiences of Lipscomb campus life is nightly participation in devotionals. Gathering together for a few moments of quiet and reverence adds to the sense of our togetherness and our closeness to God. Each girl is given opportunity to lead in the worship by scripture reading, songleading, and prayer.

WOMEN'S DEVOTIONAL

Each Friday night a faithful and devoted group of students gather on the steps of the cafeteria to go to the T.B. Hospital and sing for the patients. These students, who give so freely of their time and talents, agree that their efforts are fully recompensed by the words and looks of pleasure they receive from the men and women whose lives are brightened by even one small gesture of remembrance.

ATHLETICS

Jennings Davis, Jr.

Director of Athletics

Dr. O. Jennings Davis, Jr. has been associated with Lipscomb for some 20 years, both as student and faculty member. He graduated from the college department in 1950, where he had achieved many scholastic and athletic honors, and did graduate work at Ohio State University and Columbia University's Graduate School. Immediately after receiving his Ph.D. degree in 1955, he was appointed head of the Lipscomb athletic department. Since his appointment he has done much to promote varsity athletics, probably his most outstanding work being done in the VSAC tournaments held at Lipscomb.

Charles M. Morris

Coach

Coach Charles M. "Tiger" Morris commands the respect of his players and the student body as few men have. Quiet and likeable, he is nevertheless a strong believer in player discipline. He likes to win, but, win or lose he holds good sportsmanship above everything else.

A graduate of Abilene Christian College, where his father has been head of athletics for some 31 years, Coach Morris coached armed service teams and champion high school teams in Texas before coming to Lipscomb for the 1955-56 session.

Duane Slaughter

Since his appointment in April 1955, Dr. Duane R. Slaughter has been doing an outstanding job as associate professor of health and physical education. He also serves as varsity track coach and has done much to further that sport at Lipscomb.

Fessor Boyce

Eugene "Fessor" Boyce began his work at Lipscomb in 1937 and has at one time or another filled every position in the physical education department. Under his superb leadership intramurals have come to the front at Lipscomb.

COACHING STAFF

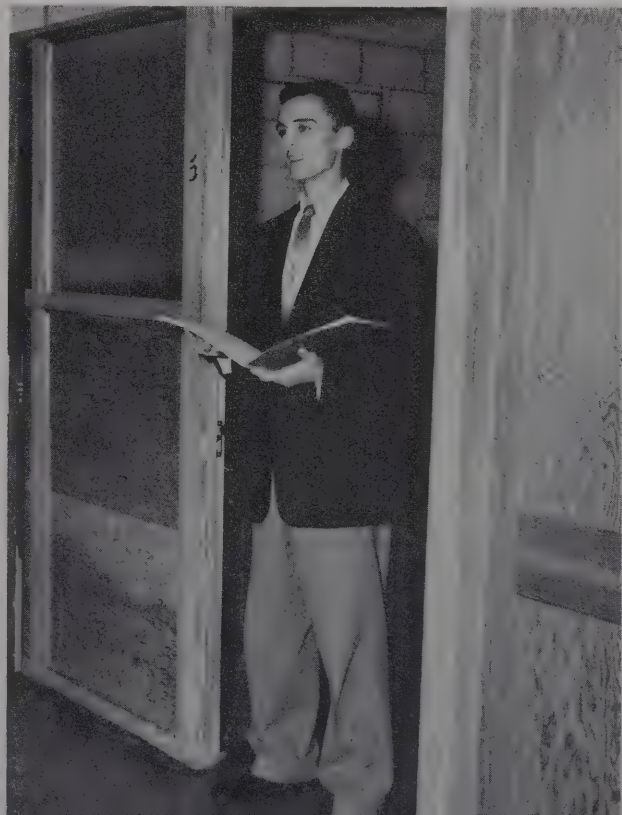

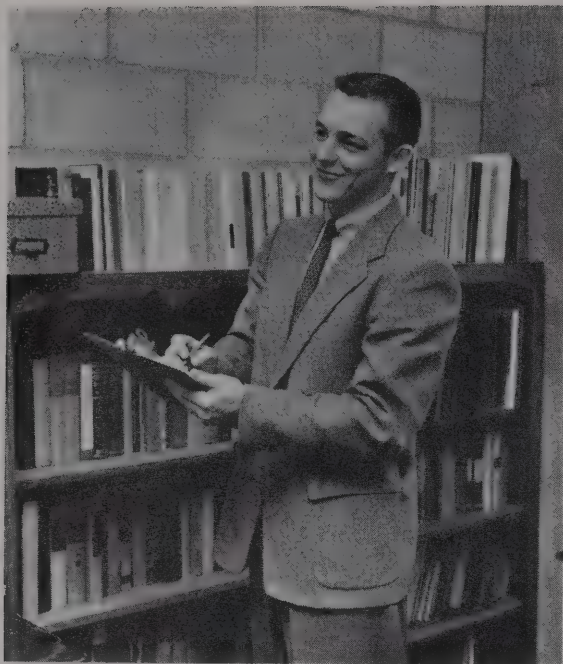

Tom Hanvey

One of the well-trained people devoting full time to the work of the Lipscomb athletic department is Tom E. Hanvey, assistant professor and gymnastic coach. He is especially recognized for his work with the tumbling team.

Gary Colson

Another step in the building program of the rapidly growing Lipscomb athletic department was the appointment of Gary Colson, 1956 Lipscomb graduate, as coach of the junior varsity basketball team. Gary, winner of eight varsity letters and a key man in the team's victories, has helped the "JV's" gain much valuable experience this year.

PUBLICITY DIRECTOR

Bill Banowsky
Publicity Director

Bill Banowsky, a junior from Fort Worth, Texas, was appointed publicity director of Lipscomb athletics for the 1956-57 session. One of the standout intramural athletes as well as outfielder on the baseball squad, Bill has worked closely with the *Nashville Tennessean*, and the *Nashville Banner* in gaining full sports coverage for Lipscomb athletic events.

Under the direction of Gary Colson, 1956 Lipscomb graduate, the team played a 14-game schedule, including such well-regarded opponents as Western Kentucky, Belmont, and Austin-Peay. Certainly one of their most outstanding achievements

of the season was holding the powerful Western Kentucky boys to their lowest point output of the year. Having gained much valuable experience this year, the "Baby Bisons" look forward to a highly successful 1957-58 season.

VSAC TOURNAMENT

This year Lipscomb again played host to the eighth annual Volunteer State Athletic Conference Tournament. Despite the fact that the Bisons entered the tournament firmly entrenched in the conference cellar, with a 2-9 record, they advanced to the quarter-finals with an impressive 75-69 win over Bethel. However, they were defeated in the last second by the Austin Peay State College Governors, 61-60.

At the ceremony following the championship game, Lipscomb was awarded the sportsmanship trophy. Thurman Wright, a Lipscomb freshman, was named to the All Volunteer State Athletic Conference Team by the *Clarksville Leaf-Chronicle* and received honorable mention on the All-VSAC team selected by the *Nashville Tennessean*. Phil Hargis also received honorable mention on the *Tennessean* team.

At the Saturday meeting it was decided that the Tournament will be held in McQuiddy Gymnasium at least the next three years.

LEADERS

Yeh! Team! Fight!

BISONNETTES

The school year 1956-57 saw the beginning of what has been termed "the greatest shot in the arm that this business of school spirit has ever had" with the election of the Bisonettes, Lipscomb's official pep club. These sixty young ladies have assumed the responsibility of gym decoration, bonfires, parties after games, and promotion of general school spirit. The Bisonettes, dressed alike in snappy collegiate outfits of black and white, sit together in a special reserved section of the gym and really make the rafters ring with their fight songs and yells. Their outstanding efforts made the 1956-57 athletic season one that will never be forgotten.

These girls led the pack of 60

GAIL SHEPARD, *Treasurer*; GAYLE SARVIS, *Sgt-at-Arms*; MARILYN RAY, *President*; KUI-KO YOKOMORI, *Secretary*; and BEVERLY WHITSETT, *Vice-President*.

The Bisonettes join the Cheerleaders in the Lipscomb Fight Song.

Dr. Davis says these Bisonettes show him plenty with these donuts and cider.

This exhibit was erected by the Bisonettes in conjunction with Homecoming.

The Bison tennis team has a 14-game schedule for 1957, in addition to the TIAC meet held in Nashville May 2-4 and the VSAC playoffs May 24-25. Bison netters have captured the Western Division title in VSAC tennis play for several years, and last year lost a hard-fought decision to East Tennessee State in the final playoffs at Johnson City.

Five lettermen return from last year's team that won the Western Division Championship. They are Bill Ruhl, a sophomore from Atlanta, Georgia; Joe Fitch, a sophomore from Texas; Jim Oliver, a junior from Clarksville, Tennessee; Jerry Choate, a sophomore from Nashville; and Eddie Gleaves, a junior also from Nashville.

One of the newer sports at Lipscomb is golf, under the direction of Coach Eugene Boyce. The Bison golfers are looking forward to an extensive and highly successful season for 1957, having gained much valuable experience last year.

TOM HANVEY, *Coach*

The Lipscomb tumbling team has become quite well-known for its many appearances in hospitals, schools, and army bases in the Middle Tennessee area. The gymnastics program serves to develop motor skills and coordination while aiding in the orientation of the individual to the group. Their purposes are to present the spirit of Lipscomb to the public, to encourage high school graduates to enroll at David Lipscomb College, and to exhibit showmanship in its finest form.

MEN'S INTRAMURALS

EUGENE BOYCE
Director

Eagles

Buccaneers

The 1956-57 school year brought one of the most active intramural programs in Lipscomb's history, due primarily to the diligent effort of Intramural Director Eugene Boyce in planning the extensive program. A new system for obtaining members was introduced, placing participation on a strictly voluntary basis, with boys joining the clubs of their choice. This system, however, proved inadvisable, since some of the largest and most successful clubs hastily recruited all the outstanding new boys. Therefore, the old player-draft rules were used again this year, but with some revisions the new system may be attempted again in the future.

This year's intramural program offered participation in a wide variety of sports, including flag football, basketball, tennis, softball, ping-pong, horseshoes, golf, and bowling.

PRACTICE TEACHING is an integral part of Lipscomb's teacher training program. Here an elementary education major points to a spot on the globe as he instructs fourth graders in geography.

attending summer school
each year, it is possible to finish
college in three years instead of four.

FALL

Only now, as we look back over the year just past, do we realize how much fun it has been to work and play together. Next year will bring many new students and many changes, but

we will never forget the wonderful events of the year 1956-57.

During the fall quarter we know the freshmen will remember Orientation Week, with the Freshman Mixer, the Faculty

Firesides, and the Faculty Reception . . . just as everyone will recall with pleasure the Footlighters' fall production, "Stalag 17" . . .

QUARTER

Polgar and his "Fun with the Mind" . . . Sackie Week, climaxed by the Varsity-Alumni Basketball Game . . . Beautiful Day . . . Stunt Nite . . . the programs by the U.S. Air Force

Band . . . the Drama Clinic . . . the Home Ec Bazaar . . . the initiation of "theater in the round" by the drama seminar . . . the Debate Clinic . . . and, of course, the exciting elections

of class officers, Who's Who, and Homecoming Queen. A fitting end to the quarter's activities was the Christmas program presented by Henry Arnold and the Choristers.

WINTER

The winter quarter found us busy with the Intramural Forensic Tournament . . . plans for a Lipscomb "facelifting," with complete renovation of the College Hall administrative offices and the building of a new high school auditorium . . . the Founder's Day Oratorical Contest, won by Jess Hall . . . the initiation of the

Game of the Torch with Austin Peay with Lipscomb boys running a flaming torch to Clarksville . . . Homecoming, with class reunions, dinners, and exhibits by Lipscomb organizations . . . the Festival of Hearts sponsored by the Junior Class, with the final judging of the campus

QUARTER

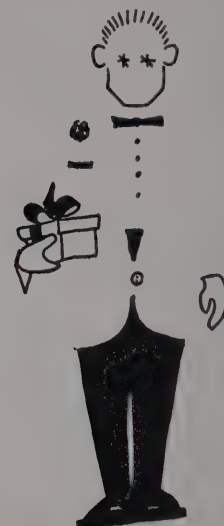

beauties . . . the V.S.A.C. tournament . . . the Footlighters' winter production, "The Madwoman of Chaillot" . . . the wonderful Harlem Globetrotters . . . the election of Zane Aldrich as May Queen . . . the annual Lipcomb Ensemble Festival.

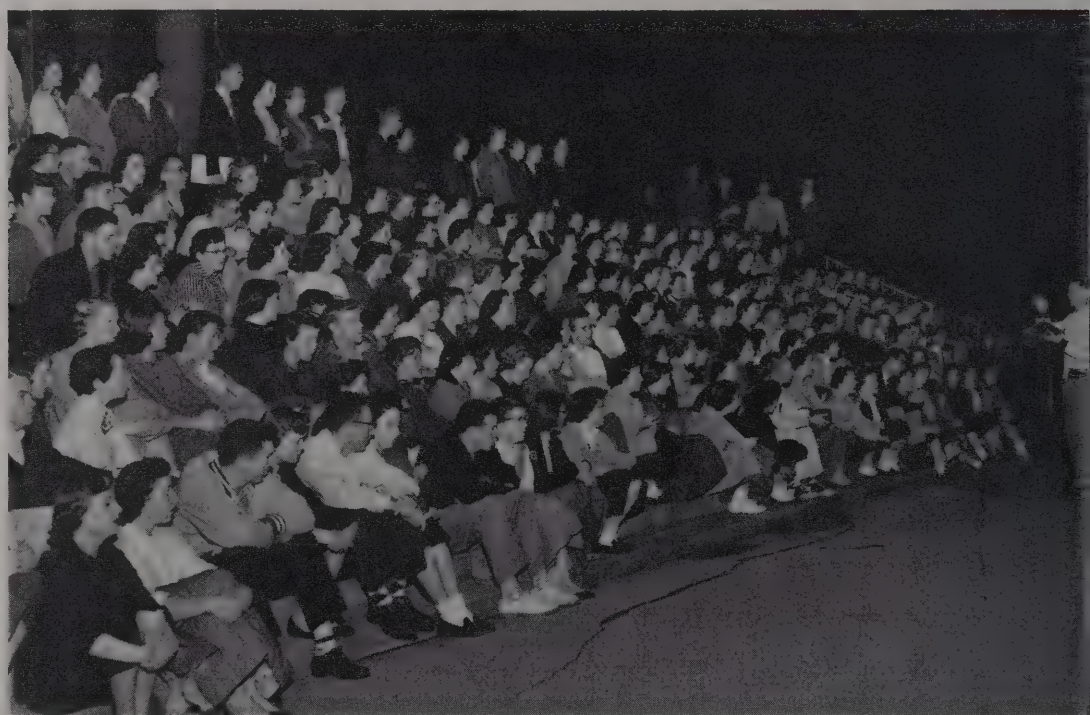

SPRING

Spring quarter seemed to be packed with things to be done and simply not enough time in which to do them all. For the seniors there was the strange sensation of registering for the last time . . . then there was the beginning of Outside Devotion-

als at night . . . Student Loyalty Day . . . the second annual spring lectureship . . . the festivities for May Day . . . banquets, banquets, and more banquets . . . last-minute, frenzied cramming . . . final exams . . . and, at last, graduation!

EDITORS' FAREWELL

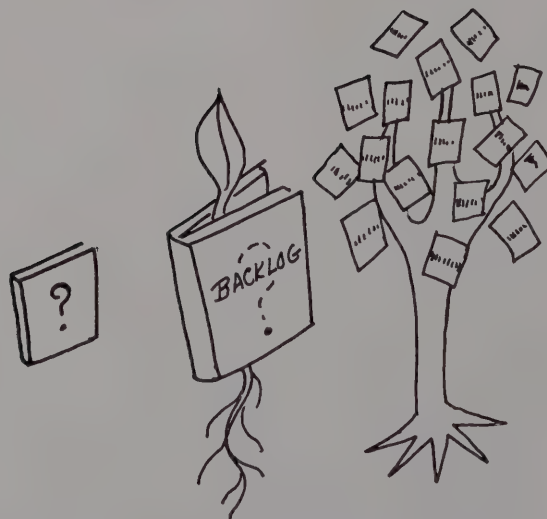

We hope that you will be as proud of your 1956-57 BACKLOG as we are. We recognize our shortcomings and hope that you will look upon them with understanding, for we have given our honest effort to bring you a book that would represent all phases of our life at Lipscomb.

To the hundreds of students who cooperated with us, we extend our deepest appreciation—especially to the faithful workers who gave their time to type, make pictures, solicit advertising, gather copy, and attend to numerous thankless tasks. We also thank our artists, engraver, printer, photographer, and advisors without whose guidance we would have been hopelessly lost.

May you have the pleasure in reading your BACKLOG that we have had in preparing it for you.
